This was the first meeting of the academic year. After brief Introductions, Cope Crisson shared the mission statement of the committee with all attendees.

Guidelines for membership and participation for the committee were discussed next. Since the members on this committee represent different disciplines and have varied teaching schedules and office hours, it is difficult to schedule a meeting time that works for all members. Effort will be made to host meetings on different days each month so that all members have an equal opportunity to attend a meeting. Recordings will be made available to faculty who are unable to attend due to conflict. Members unanimously agreed to the following guidelines:

1. A member cannot miss more than two (2) meetings in a given academic year unless they contribute actively to the committee's work in other acceptable ways (examples?)
2. Each member must attend at least one (1) Faculty Council meeting per academic year. Attendance at this meeting can be in-person or via Zoom.

Cope Crisson and Aparna Godbole will seek approval from Faculty Council on this.

The committee brainstormed ideas to determine tasks for the committee's work for this academic year. One of the ideas Cope proposed was to collect information from Workforce faculty on the Faculty Rank Task Force Recommendations that were discussed at the Faculty Council meeting on August 23, 2024. Members agreed with this idea and it was decided to create a survey to facilitate data collection.
