

FC Teaching and Learning Committee Summary of 2023/2024 Activity

FC Teaching and Learning as met twice and we have discussed how to incorporate more PD opportunities for faculty and how to show case faculty research. We are going to implement a summer salon, as well as ask for faculty presentations before Faculty Council meetings, this summer/ fall. We have also been assisting with the Faculty Development Advisory committee, which will be instrumental in presenting the professional development opportunities this fall.
